A hand is shown holding a black gift box, which is open to reveal a black pen inside. The box has a subtle, embossed logo on the interior. In the background, several other black gift boxes are stacked on a wooden surface. The overall scene is dimly lit, emphasizing the textures and colors of the gift boxes.

A gift is more than just an object; it's a reflection of thoughtfulness, appreciation, and care. It has the power to brighten someone's day, create lasting memories, and leave a meaningful impression.

Our collection of gift boxes is designed to add a touch of elegance and thought to every occasion. Whether it's for a valued client, a cherished colleague, or a loved one, these curated gifts go beyond the ordinary, transforming simple moments into unforgettable experiences.

He investigates how the photos of them have been appropriated and manipulated in our contemporary media society. His current investigation is about effigies as political protests and how images of effigies are used. In both works Götke examines an iconoclastic approach to image. In *A Protestor in Homs, Syria*, included in this chapter, the reverse is the case. Here Götke's work is about the creation of an image. *A Protestor in Homs*,
