

Stationary

Essentials that Showcase Your Brand.

Where ideas take shape, and every detail tells a story. Discover a world of creativity with our exclusive collection of stationery gifts designed to inspire, connect, and leave a lasting impression.

25

A person in a light-colored suit jacket is holding a dark pen over a desk. The desk is cluttered with various stationery items, including a dark leather notebook, a black pen, and a dark leather cardholder. The background is a plain, light-colored wall.

Introducing our latest Stationery Catalog a curated collection designed to meet the needs of modern professionals with a focus on quality, style, and sustainability.

This catalog features a diverse range of smart organizers and premium leather notebooks, perfect for enhancing productivity and organization.

For the environmentally conscious, we offer recycled notebooks and eco-friendly pen options, including both recycled and metal pens.

Our selection also includes practical plastic pens, RFID-protected card holders for secure storage, and MagSafe-compatible card holders for effortless convenience.

Discover innovative and sustainable solutions to elevate your everyday essentials with our comprehensive stationery lineup.

WRITING INSTRUMENTS PICASSO ECO

Sustainable inkless pen & stylus

Inkless

This new type of pen will never let you fall into the trap of ink shortage.

Experience the future of writing with our innovative inkless pen, designed for both paper and touchscreens. Featuring a state-of-the-art graphite tip and a versatile captive stylus, this pen is perfect for all your writing needs.

CODE DA033BK

Made from recycled aluminum, this eco-friendly pen boasts an ergonomic triangular barrel, ensuring comfort and precision with every stroke. Whether you're jotting down notes or navigating your touch devices, this pen is the ultimate tool for the modern writer.

Made From
Recycled
Aluminium

Recycled aluminium barrel

The Picasso stands out with its precision-machined recycled aluminum barrel, offering a luxurious aesthetic and a refined tactile experience.

Certified sustainability

The Recycled Claim Standard (RCS) is an international, voluntary standard that sets requirements for third-party certification of recycled input and chain of custody. The shared goal of the standards is to increase the use of recycled materials.

Embrace sustainability without compromising on style or functionality our inkless pen is where innovation meets elegance.

Graphite tip

Never needs sharpening, tip lays down a grey line that won't smudge or erase with a 2,000 meters writing capacity.

CODE | DA033BK

Captive stylus

Smooth and responsive silicone material. Universally compatible with all capacitive cell phones, tablets, touch screen laptops etc.

Ergonomic triangular body

Ensuring comfort and precision with every word you etch

Size: 169 mm x 10.5 mm ø Logo Size: 50 X 6 mm

FSC Bamboo wood BALL PEN

CODE | BND187

Carbon neutral through Co2 offsetting.

Ball Pen is an eco-friendly writing instrument made of bamboo material.

Bamboo is considered highly sustainable. It grows fast without chemicals, can be harvested every year, and the resulting product is strong, looks good, and will biodegrade once its useful life has ended.

Bamboo farmers need not do much to ensure a bumper crop.

Pesticides and complex fertilizers are all but unnecessary.

Inkless
This new type of pen will never let you fall into the trap of ink shortage.
