# VORTEX ATHLETICA SPORT WATER BOTTLE

CODE | DD003BK

Made From  
Recycled  
Stainless Steel

The Vortex Athletica sport water bottle combines superior functionality with an appearance that places the material variety at the centre of attention.

Made from high-quality single-walled 18/8 stainless steel, Vortex Athletica is not only robust, but also a true lightweight at only 238g.

The lid is designed for functionality and hygiene. It can be completely disassembled for easy cleaning. The durable carrying strap is flexible and adapts to individual needs.

# Coppertech© Isolation

Every piece of this stainless steel flask is dishwasher safe.

Size: 8.2 x 26.2 cm ( 3.2 x 10.3 inch).

## 18/8 Stainless Steel, BPA-free & FDA approved

Built to craftsman precision using food grade 18/8 stainless steel means it will perform and look great for years.

## Corrosion Proof

Protected by corrosionresistant chromium oxide film on the steel surface. If it is damaged in any way, this film

## Easy-to-carry loop

The ergonomic shape and soft textured silicon loop makes it easy to carry your Athletica anywhere.

## Easy-to-carry loop

For optimal hygiene just pinch and pull to remove the silicon spout and top lid for easy cleaning.

# VORTEX CALIX XL ECO

CODE | DD004BK

Sustainable  
Luxury tumbler

**Calix XL Eco:** Experience the fusion of luxury and sustainability with our premium vacuum tumbler. Crafted from high-quality recycled 304 stainless steel, the Calix Eco is not just a statement of style but also a commitment to eco-conscious living.

The tumbler features a screw-on, leak-proof lid designed to accommodate even the frothiest of beverages with ease. For added convenience, the cap includes a carrier loop.

This thoughtful detail allows for the attachment of a crossbody carrying belt (optional item), offering a hands-free experience as you carry your favorite drink with you.

Made From  
Recycled  
Stainless  
Steel

# Coppertech© Isolation

With Coppertech© double-wall vacuum insulation, your iced beverages remain chilled for up to 18 hours, and hot drinks stay warm for as long as 4 hours.

## Screw-on leak-proof lid

The ergonomic shape and secure screw cap lid, ensure a comfortable grip for sipping your favorite beverage while on the move.

## Recycled 304/304 Stainless Steel, BPA-free

Built to craftsman precision using food grade 304/304 recycled stainless steel means it will perform and look great for years.

## Corrosion Proof
